1.0 General Report Overview

The Restricted Fund Balance Activity reports the fiscal year activity of the PIHP restricted fund balance.

Public Act 206 of 1893, Section 24e, Paragraph 11, as amended, directs, under specified circumstances, that a portion of each county's state convention facility development fund revenue be distributed for substance abuse prevention and treatment programs within the county. Proceeds are known as PA2 Funds.

PA2 Funding is provided to the PIHP through the Counties by the Michigan Department of Treasury. Funds are to be used for SUD prevention and treatment services in the county that received the funds from Treasury and are managed by the PIHP.

Public Act 107 of 2013, Section 105d, Paragraph 18, directs the department to withhold, at a minimum, 0.75% of payments to specialty prepaid health plans for the purpose of establishing a Performance Bonus Incentive Pool (PBIP). Distribution of funds from the Performance Bonus Incentive Pool (PBIP) is contingent on the specialty prepaid health plan's completion of the required performance of compliance metrics as described in the Medicaid Managed Specialty Supports and Services Concurrent 1915(b)/(c) Waiver Program(s) Contract. Please refer to Part II (A) – Section 8.4.2 - Contract Withholds and 8.4.2.1 - 2017 Performance Bonus Integration of Behavioral Health and Physical Health Services of the Contract.

PBIP funding awarded to the Prepaid Inpatient Health Plan (PIHP) shall be treated as restricted local funding. Restricted local funding must be utilized for the benefit of the public behavioral health system.

The Restricted Fund Balance Activity reports the fiscal year beginning balance, the current period deposits, the current period financing and the balance. The report will be utilized by the PIHPs and those CMHSPs that are also PIHPs.
